

REMARKS

Claims 1-15 are now pending in the application. The Examiner is respectfully requested to reconsider and withdraw the rejections in view of the amendments and remarks contained herein.

REJECTION UNDER 35 U.S.C. § 112

Claims 1-9 stand rejected under 35 U.S.C. § 112, first paragraph, as failing to comply with the written description requirement. Claims 2 and 10-15 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point and distinctly claim the subject matter which Applicant regards as the invention. Applicant has amended claims 1, 2 and 10 to even better correlate with Applicant's specification. Reconsideration and withdrawal of these rejections are respectfully requested.

REJECTION UNDER 35 U.S.C. § 102

Claims 1-15 stand rejected under 35 U.S.C. § 102(e) as being anticipated by Mitchell (U.S. Pat. No. 6,741,841 B1). This rejection is respectfully traversed.

At the outset, Applicant notes claims 1 and 10 have been amended to include "wherein the policy algorithm is executed to prioritize content according to the rules from the database and transmit the prioritized content . . . to the content delivery system to control distribution of the content to the mobile platform while the mobile platform is in transit." Applicant respectfully asserts Mitchell does not teach or suggest at least this feature.

Mitchell appears to disclose merely "a mobile platform communication system that offers delivery of data between a mobile platform and a docking area" (emphasis

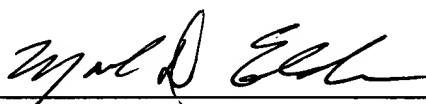

added). Mitchell does not disclose or suggest whatsoever providing content to a mobile platform in-transit. Accordingly, Applicant respectfully submits Mitchell does not teach Applicant's invention as claimed. Thus, Applicant believes claims 1 and 10 are in condition for allowance. As claims 2-9 and 12-15 depend from claims 1 and 10, respectively, these claims are also believed to be in condition for allowance. Reconsideration and withdrawal of this rejection are respectfully requested.

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
